

Annie Rowan is a local 6-year-old who recently suffered Acute Liver Failure from unknown causes resulting in a life-saving liver transplant at Seattle Children's Hospital. Annie's local COTA team is currently planning several events to raise funds for transplant-related expenses. Please consider making a tax deductible contribution to become an event sponsor. Sponsor contributions will offset event expenses including the purchase of **COTA for Annie R** T-shirts provided to all volunteers to wear at all future-planned events (including those who run in our 5k races).

Donation Levels:

- **GOLD** - Donate **\$750** and you will receive:
 - Your company *logo* printed on the back of the **COTA for Annie R** T-shirts
 - Your company *logo* on all pledge packets for 5k races

What will the funds raised provide for the COTA for Annie R campaign? Donations will help provide funding for event expenses including facility rentals, food and beverages, entertainment, graphics, printing, publicity, prizes, and postage. The financial burdens of a transplant often exceed \$500,000. COTA is a non-profit organization that helps families who face life-saving transplants by providing fundraising assistance. All money raised through events is used for transplant-related expenses. Your sponsorship will enable our team to successfully plan and carry out our events over the next year!

All gifts are tax deductible to the fullest extent of the law, and COTA will provide a charitable gift receipt for contributions of more than \$75 and for gifts of products or services. All donations are helpful!

What are some of COTA for Annie R's upcoming events? "Apples for Annie" – selling our delicious caramel apples, suckers, and marshmallow pops at local carnival and race events, 5k races, an opera performance at Benaroya Hall, dance performance by Pacific Ballroom Dance, garage sales, bake sales, auctions, a black tie dinner, movie day at a local theater, Albertson's parking lot/radio station promotion, local restaurant donation days, and others in the works!
